GROWING AND LEARNING TOGETHER

NEWSLETTER 12TH JUNE 2017

Note from Mr Holloway....

What a brilliant week it has been at Bridgewater Park starting with the sensory room opening on Monday. I would like to thank everyone who has been involved in the project for all their hard-work and commitment to producing a resource that I know will benefit many children.

Year 1 have been busy this week completing their phonics tests as well and they have done incredibly well; again showing the hard work of the children, parents and staff who have been working to teach and practise all the different phonic sounds.

Thank you for everyone who came and took part in our Science day today; as always we really appreciate you joining with us in our learning. The children always love our Science days when they have the opportunity to investigate and explore different aspects of Science. A big thank you to Mrs Molloy for organising the day which is also part of your work on achieving Science Quality Mark next year.

As always, my door is always open so please come and speak with me regarding any aspect of school.

Have a lovely weekend,

Mr Paul Holloway (Principal)

Summer is here

Now that the summer has arrived, the school will be selling Ice Lollies, Ice Pops and Cup Drinks, throughout the week. The cost will vary depending on what you purchase, but will be no more than 50p.

Sensory Room Opening

On Monday we had the opening of our Sensory Room which was opened by the Mayor and Mayoress, and one of the Viking Rugby Team. The PTA have worked really hard in achieving this.

FREDDO FRIDAY – Class Attendance

Well Done to Reception for having the best attendance this week. The children enjoyed a "Freddo Friday" party during the afternoon.

Attendance

Each week we will be monitoring the attendance in school. If your child gets 100% attendance in one week, they will be entered into a raffle and the winner will receive a £5 voucher to spend.

Week 1	Ethan Byrne
Week 2	Charlie Stewart
Week 3	Holly Everitt
Week 4	Abby Schofield
