GROWING AND LEARNING TOGETHER

NEWSLETTER 9TH JUNE 2017

Note from Mr Holloway....

I hope you all enjoyed a great half-term last week. It was lovely to hear all the children's news as they returned to school.

Year 6s have started their transition journeys to secondary school with some of the schools visiting Bridgewater Park this week to meet the children and liaise with Miss Hitchin. We are keen to ensure a smooth transition for Year 6 this year but also for the children across the school as they move into their next year group. More information will follow but we are planning to give the children plenty of time with their teacher for next year before we break up for the summer. At the same time, parents/carers will have the opportunity to meet their child's teacher and ask any questions you they may have as well as pass on any information that you may wish.

We have one of our Science days next week. Please come and join us from 2:30pm to see what your child has been learning as well as take part in some activities.

Have a lovely weekend,

Mr Paul Holloway (Principal)

Future Dates

Monday 12 th June	Phonics screening week
Friday 16 th June	Science day

Summer is here

Now that the summer has arrived, every Friday the school will be selling Ice Lollies, Ice Pops and Cup Drinks.

The cost will vary depending on what you purchase, but will be no more than 50p.

For girls aged seven to ten

Brownies

'I had never climbed before. I was scared of heights. But I climbed and rang the bell all by myself and felt really proud of myself.'

(Poonam, 10)

Brownies offers girls exciting opportunities to take on new challenges, make brilliant friends and discover the world around them. They follow the Brownie Adventure programme in their unit meetings - they get adventurous, go to special events, day trips, sleepovers, camps and holidays. Brownies get the opportunity to make their own decisions, learn new hobbies, develop new skills and explore other cultures.

Find out more about Brownies at www.girlguiding.org.uk/brownies. Register your daughter at www.girlguiding.org.uk/joinus, or call 0800 169 5901.

For girls aged five to seven (four to seven in Northern Ireland)

Rainbows

'We play loads of fun games and do activities and challenges and a few times we get badges.'

(Matilda, 6)

Being a Rainbow is all about having the space to try new things and have fun. Rainbows learn by doing - they get their hands dirty, do sports, arts and crafts, and play games. Through taking part in a range of different activities with girls their own age, Rainbows develop self-confidence and make lots of new friends.

Find out more about Rainbows at www.girlguiding.org.uk/rainbows. Register your daughter at www.girlguiding.org.uk/joinus, or call 0800 169 5901.

A meeting will be held at Castlefields Community Centre on Monday 26th June at 7pm for parents and children interested or joining/volunteering.

Week 4	

FREDDO FRIDAY – Class Attendance

Well Done to Year 3-4 for having the best attendance this week. The children enjoyed a "Freddo Friday" party during the afternoon.
